

ZÉ DA LEONOR

“Zé da Leonor”,

As he was known in the region, was a farmer who acquired the Quinta Nova at the beginning of the 20th century, and began the project that led to the production of this wine. Today, four generations later, his grandson and great-grandsons brought the farm back to life. They planted a new vineyard, built a winery and now produce a wine with his name - “Zé da Leonor” – that, like its namesake, reveals the character and strong personality that we wish to pass on to future generations.
